

WEEKLY REPORT  
01/29/11-02/04/12

On February 4<sup>th</sup> the Newark Police Department arrested 24 year old Michael Early of Newark for a seven month crime spree, dating back to July of 2011, involving multiple shed and car break-ins and the unlawful use of several credit cards stolen from within one of the vehicles. The investigation culminated in the arrest of Early and the execution of search warrants by Newark PD and the University of Delaware Police. The searches occurred at Early's residence and a second home in Newark where Early was storing stolen property. During the search warrants investigators recovered stolen items linking Early to multiple break-ins along with additional recovered items which are believed to be stolen but which have not yet been linked to a crime. Those items, whose ownership is undetermined, include power tools, a child's bicycle, and multiple GPS units. The investigation is ongoing and additional charges are anticipated as Early has been linked to at least one vehicle break-in on University of Delaware property.
