

WEEKLY REPORT
09/08/13-09/14/13

On September 6th, at 12:00 p.m., the kickoff for the Newark Police Department Trading Card program was held at the Newark Charter Middle School. Students in grades 4-6th attended a presentation in the gymnasium of the school. The event was moderated by Lt. Mark Farrall, and attended by Mayor Vance Funk, City Manager Carol Houck, and Police Chief Paul Tiernan. After the trading card contest rules were explained the students were treated to a presentation by our two K9 officers. Since the start of the program, many children and their parents have arrived during police shift changes to meet the officers and request their trading card. This popular program was made possible by the hard work of Cpl. Greg Micolucci, Cpl. Adam Mease, and PFC William Smith.

Chief Tiernan sent letters of thanks to the Colonels of the Delaware State Police and New Castle County Police Departments for the assistance provided by their officers during the large disturbance on September 9th. This incident was recorded by many individuals and shown on national news as well as social media. The video shows that every officer conducted themselves professionally and with restraint during this chaotic event.

NPD have arrested 21 year old Xavier White of New Castle for discharging a firearm during an early morning incident on September 14th in the parking lot of 54 East Delaware Avenue. During this incident, NPD and UDPD Officers responded to the area of 45 East Main Street, The Galleria, for a report of a man with a gun. It was reported that the subject fled the area in a red vehicle. A UDPD officer observed a vehicle matching the description fail to stop at a red light on East Main Street at South College Avenue. The vehicle continued southbound on South College Avenue and then eastbound on East Delaware Avenue. The UDPD officer attempted to conduct a traffic stop, however the vehicle failed to stop and continued eastbound on East Delaware Avenue. The UDPD officer was joined by an NPD officer and after a short distance, the vehicle stopped in the vicinity of Scholar Drive. Officers immediately placed the driver, later identified as Xavier White, into custody. A semi-automatic handgun was recovered from the vehicle.

It was determined that White was involved in an earlier altercation at 45 East Main Street and that, following that altercation, he retrieved a handgun from his vehicle on East Main Street. White then walked through the interior corridor of 45 East Main Street to the rear parking lot, located at 54 East Delaware Avenue. Once in the parking lot, White raised the gun and fired two rounds in a southeasterly direction, striking an unoccupied parked car in the rear parking lot of the Newark United Methodist Church. White then returned to his vehicle and fled. No one was injured during this incident which was captured, in its entirety, on City of Newark surveillance video. Video is not available for release.

Following his detention at the traffic stop, White was transported back to NPD Headquarters.
