

WEEKLY REPORT
01/25/15-01/31/15

The newest member of the Newark Police Department, Casey Rivers, was sworn in on Monday, February 2nd at city hall. Casey will graduate the Delaware State Police Academy on Friday, February 6th. City Manager Carol Houck, Chief Paul Tiernan, and many members of the police department will be in attendance.

Chief Tiernan and Deputy Chiefs Farrall and Feeney have been working with New Castle County on the "All Hazards Mitigation Plan Update" and attended the most recent work session on February 3rd. The majority of issues identified for the City of Newark deal with flooding from area creeks and the upgrades needed for the storm sewer system. Newark does very well in areas such as: having backup power at critical substations, available storage area for debris composting, keeping the Christina Creek clear from obstructions, keeping catch basins and grates clear, having a clear storm drain spill response, having tree maintenance program, and having an up-to-date and complete municipal emergency operation plan. Much of this is due to the great work of Department Directors, Tom Coleman, Rick Vitelli, and Charlie Emerson. Without these hazard mitigation efforts, the City of Newark would have severe negative impacts to safety and property during severe weather events.

Corporal Patrick Craig, Detective Daniel Bystricky, and Officer First Class William Smith have been invited to attend a "Sudden Cardiac Arrest Reunion", sponsored by the New Castle County Department of Public Safety. The event, held on February 25th, will provide an opportunity to reunite the responders and patients that had successful outcomes to sudden cardiac arrest events.

The Newark Police Department promotion ceremony will be held on Thursday, February 12th at 2:00 p.m. Due to the large number of promotions and expected number of guests attending the ceremony it will be held at the Bob Carpenter Center.
