

City Manager's Weekly Report

Department:

Administration - City Manager

Notable Notes:

I will be out of the office next week so there will be no weekly report. We will combine the next two weeks into the August 31st report instead.

Monday morning, we had another fairly significant flash flooding event, 5 years to the day since the last similar event. We have documented flooding locations and will be reviewing each location to see if any modifications can be made to lessen the impact when we have another event in the future.

Work continued on Preston's Playground but had a minor setback due to the flooding on Monday morning. We had crews in all weekend and they have made great progress.

I have prepared draft revisions to our General Provisions that are included with all contracts, which spells out our lead paint prohibitions and penalties/procedures should a contractor violate the restrictions. I hope to have the provisions finalized shortly following staff and solicitor feedback.

Monday afternoon I attended a DeIDOT public information session at the Newark Library. The meeting was moderately attended but feedback was good. The Newark Post has written an article on the meeting which is in this week's paper and online. On Wednesday we had an internal meeting between Newark staff and DeIDOT's consultant, JMT, to discuss the project and utility impacts/planning for lighting and signal control power.

We held a meeting this week to plan out the path forward for general fund and parking projects that were included in the debt financing schedule approved in the June referendum. We hope to have a bundle of projects ready for Council consideration later this fall. Our hope is to bring them all at one time so Council can consider them in their entirety as opposed to one at a time.

Mark Brainard and I met with a representative from the VFW to review a potential successor lease agreement for the portion of our parking lot that we lease from the VFW. We are hopeful that we may be able to have a tentative agreement for Council consideration in September.

I attended a portion of the DNP Merchant's Committee meeting with DeIDOT on the proposed paving project for Main Street. The merchants are still concerned about the project and impacts to business. We are going to meet internally to see what we can do to help offset the loss of parking that will accompany the project which will potentially take up to 97 on-street parking spaces offline at any given time.

I attended a Subdivision Advisory Committee meeting where we discussed 18 North Street.

Finance Director Del Grande and I spent significant time working on the budget and preparing for the first round of presentations scheduled for the August 27th Council meeting.

I sat in on a conference call with CLA, our auditors, to review the audit results.

The rest of the week was spent on general administrative and personnel related items.

Alderman's Court

Notable Notes:

Alderman's Court held three court sessions from 8/9/18 to 8/15/18. These sessions included arraignments, trials and capias returns. Parking Ambassadors were here to handle any parking appeals.

Parking appeals will now be held on Tuesday and Wednesday from 8 a.m.-10 a.m.

Activity or Project:

Court Sessions

Description:

From 8/9/18 to 8/15/18 Alderman's Court handled 40 arraignments, 29 trials and 7 capias returns. The court collected a total 468 parking payments of which 273 were paid online and 195 were paid at court. The court also collected criminal/traffic payments which included 115 online payments and 45 court payments for a total of 160 payments.

City Secretary and City Solicitor's Office

Notable Notes:

Paul was in the office on August 13 for Council and August 14. Geena was in the office on August 9 for Court.

The Legislative Department welcomed three new staff members this week: Danielle Mapp-Purcell, Whitney Potts and Anita Reed. Training and orientation for new staff took place on August 10 with additional training throughout the week. Thanks to Devan Hardin, HR Manager; Samantha Corson, Records Coordinator; Debi Keeley, Accountant; and Cathy Trykowski, Purchasing Assistant, for assisting by providing orientation and training sessions to our new staff.

Paul, Renee and Tara staffed the Council meeting on August 13. Follow up was completed by staff on August 14.

The August 14 Conservation Advisory Commission meeting was cancelled due to lack of a quorum. The next meeting is scheduled for September 11.

Renee spent time drafting the August 27 Council agenda and related Council packet items.

Renee worked with staff regarding gathering documents to fulfill a subpoena for a civil suit in which the City is not a party.

Renee compiled documents related to the referendum process for submission to DNREC related to the Rodney Stormwater Park project.

Tara drafted a proclamation honoring a 50-year Newark Senior Center employee.

Staff spent time on some FOIA-related items this week. The following actions were taken on FOIA requests:

* Received request, circulated to staff, received relevant documents, sent documents to the

requestor, completed and closed an August 10 FOIA request from SmartProcure for purchase orders.

* Received request and circulated to staff an August 10 FOIA request from EBI Consulting regarding 502 South College Avenue.

* Received request and circulated to staff an August 13 FOIA request from David Erik Stevens regarding a 1994 Alderman's Court case.

* Spent time updating the FOIA log for the City.

The August 22 Newark Community Sustainability Plan Steering Committee agenda and August 14 Conservation Advisory Commission cancellation notice were posted and forwarded to Council.

Regarding minutes, staff time was spent on the July 19 Board of Adjustment (Whitney drafted; Renee and Tara edited - complete), July 23 Council (Tara drafted; Renee edited - complete) and August 13 Council (Whitney drafting) minutes. The July 21 Election Board and the August 13 Council executive session minutes are currently in the queue.

Samantha and Danielle fulfilled 8 discovery requests for upcoming Alderman's Court cases. 228 discovery requests have been filled so far for 2018. The office also received the court calendar for August 23 and the 14 associated case files were prepared for the Deputy City Solicitor. 33 court calendars with 443 associated case files have been compiled so far for 2018. No plea by mail agreements were processed this week.

The office received 6 new lien certificate requests over the last week, which were sent to Finance for processing. 1 lien certificate was completed and sent to the requestor. So far, 332 lien certificates have been processed for 2018.

Activity or Project:

Digital Records Project

Description:

Samantha attended the National Association of Government Archives and Records Administrators Conference in Washington, DC August 15-18.

Samantha worked on indexing and labeling for transfer 17 boxes of development plans for State Archives.

Samantha and Ana continued working on quality control review for documents already scanned or being directly imported into TCM. This project is critical to ensure that when public portals are opened, there is consistent titling and metadata so documents can be easily found by members of the public.

The scanned documents numbers for August 9-15 are below.

Notable Notes:

Fabulous Friday: August's Fabulous Friday event will highlight live performance. On Friday, August 24th there will be a sing-along with a Princess Moana character (<https://www.youtube.com/watch?v=Bf93YcNf1gs>) at 5 p.m. The University of Delaware Swing Club (<https://sites.udel.edu/swingclub/>) will perform from 6-7 p.m., and the Juggling Hoffmans (<http://www.jugglinghoffmans.com/>) will take the stage at 7 p.m. All performances will take place on Academy Lawn. Captain Blue Hen Comics will also be hosting a Food Truck event in Market East Plaza featuring the villains Thanos and Darth Vader.

Taste of Newark: Newark foodies and their friends will enjoy the best food and drink in Delaware at the 15th annual Taste of Newark. The premier food and wine festival will take place on Sunday, September 30, from noon - 3 p.m. on Old College Lawn at the University of Delaware. Guests will enjoy a wide variety of culinary delights from dozens of restaurants, wineries, breweries and distributors. Keep an eye on the Taste of Newark Facebook page for updates on participating restaurants, wineries and breweries: https://www.facebook.com/events/444938642633524/?active_tab=about. Tickets are \$50 per person and can be purchased at TasteofNewark18.eventbrite.com.

Downtown Delaware Idea Exchange: On Tuesday, August 14, Megan attended a Downtown Delaware Idea Exchange at the Division of Small Business in Dover. Representatives from Main Street organizations throughout the state discussed challenges and victories happening in each location. Rick Ferrell of Principal Retail Market Answers LLC also presented on best practices for business retention, expansion and recruitment.

Billboard for Public Power Month: We are working with DEMEC to create the Public Power Week billboard for 2018. On Thursday, August 16, Megan went out with our Electric Department to take photos for the "Powering Communities Together" campaign. One of the photos will be used on the billboard in October.

Electric Department

Notable Notes:

The line crews set a new pole near KFC on Marrows Road which will be used to provide service to a new car rental business (Enterprise). They also changed a damaged padmount transformer at

the College Square Shopping Center. The line crews and engineering switched to deenergize a line for Delmarva's work at the new train station.

DOW Chemical, on Bellevue Road, was charged to use an electrician to survey all their transformers. They wanted pictures of all the nameplates as proof of non-pcb, how much oil, and impedances for their own arc fault studies. The electricians also worked on a media room and the new wall for administration, fixed a battery and charger for a recloser, and fixed a substation phone line. They continued infrared scans of the electric system and worked on cameras on City Hall and cameras on poles on South College Avenue.

Engineering met with Chemours' construction management about time line and division of work for service to the building. They intend to be energized by October. Engineering also met with a contractor at West Main Substation about replacing a T-Mobile antenna on top of a 34kV pole, and also worked with a consultant on developing pole attachment standards and agreements with cellular companies wanting to put antennas on City poles.

Police Department

Notable Notes:

- On Friday, August 17th, members of the Newark Police Department will be organizing and participating in a community outreach program in Dickey Park. The event will be held from 4 to 9 p.m. It will feature games, free hot dogs and other snacks donated by Acme supermarket. There will be a K-9 demonstration and display by the Delaware State Police Mounted Unit. The Blue Line Network will be onsite for anyone who would like a thin blue line showing support for police, taped on their vehicle. The event is coordinated by the NPD Special Operations Unit. The goal is to reach out and interact with members of the community in public spaces that may be less intimidating than police facilities.

Criminal Investigations Division:

- Detective Anderson and Victim Services Coordinator Melissa Pennachi are attending the Dallas Crimes Against Children Conference, paid for by the Criminal Justice Council.
- On Thursday, August 16th Capt. Van Campen, Lt. Nelson, and Lt. Aniunas are participating in a multi-agency Tabletop Exercise hosted by the University of Delaware regarding emergency response to a simulated large-scale event this week.

Administration Division:

- On Monday, August 13th Recruit Jean Carlos Almonte reported for his first day of work. He will be attending the Delaware State Police Academy in early September.
- Cpl. Walker met with staff members of the Newark Charter High School in preparation of an upcoming ALICE training session for their staff.

Special Enforcement Division:

- Sgt. Greg D'Elia will begin his first class as instructor at the N.J.S.A.C.O.P. Command and Leadership Program hosted at the New Castle County Police Department Headquarters. It is an honor for Sgt. D'Elia and the NPD to be chosen to instruct this elite management training program that is attended by public safety personnel from several surrounding states.
- Traffic Unit Officers continue efforts on Bellevue Road regarding citizen speeding concerns. Officers conducted outreach to businesses prior to enforcement activities to minimize further resident/business conflict. Additionally, NPD speed signs have been set in strategic locations on Bellevue Road.
- On Saturday August 18th, Traffic Unit officers will be participating in the 911 Motorcycle Ride as well as assisting the Cecil County Sheriff's Office with The Rally for Hope.

Notable Notes:	
<p>Staff is working with DeIDOT to address concerns from motorists and businesses along Cleveland Avenue after observing the Road Diet in place for just over a week. Please pass along any comments to PW&WR and we will address them with DeIDOT. Delays in having the traffic controls fully operational likely contribute to some delay in traffic, but DeIDOT is working with their contractor to address these as they arise.</p> <p>Contractors with active construction sites in town have been notified that where possible they should clear the road of any obstruction ahead of the UD Move in to occur over the next two weeks. PW&WR Refuse staff will be patrolling the City to address any trash violations and educate new residents on our refuse code.</p> <p>With the new school year starting, our intern program is winding down for the summer. We had another successful year and look forward to seeing great things from this group in the future.</p>
